Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicant brings to the attention of the Examiner the documents on the attached listing, which were already provided to and accepted by the USPTO on January 9, 2008. This Information Disclosure Statement refers to an IDS that was filed on January 9, 2008, after the events recited in Section 1.97(b) but, to the undersigned's knowledge, before the mailing date of either a Final action, Quayle action, or a Notice of Allowance. Under the provisions of 37 C.F.R. § 1.97(c), the present Information Disclosure Statement includes a statement as specified by Section 1.97(e).

The following constitutes the statement specified by 37 C.F.R. § 1.97(e). Each document listed in the January 9, 2008 Information Disclosure Statement was first cited in a communication from the German Patent Office in a counterpart foreign application, and the January 9, 2008 Information Disclosure Statement was filed within three months

of the mailing date of that communication, November 7, 2007, therefore, Applicants feel there is no fee due.

Alternatively, if the examiner does not recognize the above, because the January 9, 2008 IDS has been submitted after the first office action but before the mailing date of either a Final action, Quayle action, or a Notice of Allowance, Applicants authorize fees of \$180.00 to be charged to Deposit Account 06-0916.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and Applicant determines that the cited documents do not constitute "prior art" under United States law, applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.

Dated: May 15, 2008
